Verse 1 Chords:

G5	D5	G5	C5	G5
Do the twist in the twisting outfit				
D5	G5	C5	G5	
The loose tie with, the loose limp wrists				
D5	G5	C5	G5	
Lift your dress enough to show me those shins				
D5	G5	C5		
Let your hair stick to your forehead				

:intro chords 5x, then

Verse 2: Use Verse 1 Chords

Did you blush then when our hips touched?
I can t tell, you re already red
Am i right? you give me the signs
Is that pink mist or just lit dry ice

:intro chords 3x, then

G5-G5-G5-G5-G5-G5-A5-B5

Chorus:

C5	G5	D5	G5
You twist and whisper the wrong name			
C5	G5	D5	
I don t care nor do my ears			
C5	G5	D5	G5
Twist yourself around me

Verse 3: use Verse 1 chords

Lets pretend I m attractive and then

You won t mind, you can twist for a while

It s the night, I can be who you like

And I ll quietly leave before it gets light

Chorus:

So twist and whisper the wrong name

I don t care nor do my ears

Twist yourself around me

I need company I need human heat

I need human heat
