Verse 2: Use Verse 1 Chords

Did you blush then when our hips touched?
I can t tell, you re already red
Am i right? you give me the signs
Is that pink mist or just lit dry ice

:intro chords 3x, then

I need company I need human heat, I need human heat

Verse 3: use Verse 1 chords

Lets pretend I m attractive and then
You won t mind, you can twist for a while
It s the night, I can be who you like
And I ll quietly leave before it gets light

Chorus:

So twist and whisper the wrong name
I don t care nor do my ears
Twist yourself around me
I need company I need human heat
I need human heat
