**Friska Viljor**

Tuning: Standard

This is how I play this song. I m pretty sure the band plays this in different parts of the fretboard (same notes) but I like to move around alot, makes me happy! :)

Intro: **D-A** x2

-----

**D** **A**

Silence is all that you can do

**D** **A**

You don t answer me and I m asking you

**D** **A**

And I don t want in to your place

**D** **A**

But I can t say no and I m looking at your face

**D** **A**

Passion is everything for you

**D**

**A**

That s fine by me but I like other things too

**D**

**A**

Like when I m lying in your bed

**D**

**A**

Just looking at you working ? with your hand

**C#m**

**D**

**A**

**E**

I like I like I like other things too

**C#m**

**D**

**E**

**A**

I like I like you too

**F#m**

**D**

**A**

Am I enough or should I be worried

**E**

**D**

I ll do every little thing for you, girl

**E**

**A**

Every little thing for you

**F#m**

**D**

**A**

Are you my love or could we discover

**E**

**D**

Time is gonna bring us down, girl

**E**

**A**

Time is gonna bring us down

**D - A x2**

**D**

**A**

Miss you is all that I can do

**D**

**A**

Cause I can t change my ways just to please you

**D**

**A**

But it can t be all on me

**D**

**A**

If I am naughty enough this is how it all should be

**C#m**

**D**

**A**

**E**

I like I like I like other things too

**C#m**

**D**

**E**

**A**

I like I like you too

**F#m**

**D**

**A**

Am I enough or should I be worried

**E**

**D**

I ll do every little thing for you, girl

**E**

**A**

Every little thing for you
