Verse:

F#m	E
The sun stood high that day	
D	
when we keep crossing every street	
	F#m E
in this town from side to side	
F#m	E
and we could not believe	
D	
where we met this nice guy	
	F#m E F#m
located near hamburger berg	

Pre-Chorus:

D
cause we have been down there
for a couple of days
A
getting nothing but drunk
E
and we were lost in a haze
D
so all this time
we were wondering if
F#m E
we have gone to the right town

D

it was not until we met this man

A

and all his beautiful friends

E

that started show us arround

D

then we really knew

where we should go

we should go to

Chorus:

A E

wohlwilllstra~E

F#m

it s where we should go

D

where we should go

A E

wohlwilllstra~E

F#m

it s where we should go

D

where we should go

Verse:

he invited us
to come later that night
and play some music at his record store

and he had gathered some
of his neighbours and friends
on the street that we now adore

Pre-Chorus:

cause they will love this thing
into the biggest heart
being honest and true
to who they realy are
make it growing and growing
with the greatest force
we had gone to the right town
and his beautiful friends
invited us to stay
and the place on the street

that we will never forget
we want to go back
to the wohlwill love
we want to go back
to the wohlwill love

Chorus:

/ wohlwillstraßē \ x4
\ it s where we should go /
where we should go
