

Broken

From Ashes to New

[Chorus]

Dm **Bb F**
I m standing in the dark
G **Dm** **C** **A**
I ve been damaged from the start
F **Dm** **Bb** **F**
But I know it in my heart
G **A** **C**
That I won t be, be broken

[Verse 1]

Dm **F**
You pushed me off to that dark space
Dm C
Between a rock and a hard place
Dm **F**
You hoped you found what would slow me down
G
But there ain t no stopping my heart rate
Dm **F**
It could ve been easy to part ways
Dm C
But now you just feed me this parfait
Dm **F**
Of bullshit with your lies mixed in
Dm C
You can keep your games at the arcade

[Pre-Chorus]

Dm **F** **Dm C**
It s nothing new to me, what you do to me
Dm **F**
I ve seen it all time and time again
F G
I had to fall for me to find my head
Dm **F** **Dm C**
I m staying true to me, yeah, I know who to be
Dm **F**
It might be hard for you to comprehend
F G
That where we are in life is not the end

[Chorus]

Dm **Bb F**

I m standing in the dark

G **Dm** **C** **A**

I ve been damaged from the start

F **Dm** **Bb** **F**

But I know it in my heart

G **A** **C** **Dm C Bb**

That I won t be, be broken

F E **Dm C Bb**

Be broken

F

Be broken

[Verse 2]

Dm **F**

Who would I be if I gave in?

Dm C

Didn t believe in my statements?

Dm

I dimmed the lights and I hid from life

F G

And just buried the dreams that I m chasing?

Dm **F**

Who would I be if I wasted

Dm C

Days and weeks in the basement?

Dm **F**

If I up and quit and said,
