

My Name

From Ashes to New

[Verse 1]

Gm

Almost all my life they told me that I couldn't

F

Dreaming every night, they told me that I shouldn't

Eb

Told me that I should've quit, that I'll never finish it

D

That I'll never reach the top and no one knows that I exist

Gm

But I kept climbing, kept grinding every day

F

And I kept writing everything I had to say

Eb

Now they wanna shut me up, shut me in, shut me out

D

Yeah, I'd be mad too if someone made me shut my mouth

Gm

But it's different when you never had a voice

F

When no one ever listened, so you never had a choice

Eb

Never had a path, only people in your way

D

Never had a mask or a reason to be fake

Gm

All you had was you and a reason to succeed

F

All you had to do was keep believing in the dream

Eb

All you ever knew was being weak and on your knees

D

But you're only gonna lose if you don't learn from your defeats

Gm

Yeah, gotta make the world know my name

[Chorus]

Gm

F

Eb

I've got my head in the clouds, my feet on the ground

D

C

D

F

Yeah, I'm standing now and I am not afraid

Gm

F

Eb

With my head in the clouds, never looking down

D

Yeah, I'll never stop until the world knows my name

[Verse]

Gm

I wish I could go back, back when we were kids

F

When everything had passion with everything we did

Eb

Everything was honest, everything that we were promised

D

And the thought of what we wanted is what makes it so ironic

Gm

That it s different than the shit that we were told

F

How the rules were written, how the story really goes

Eb
