

Nowhere To Run
From Ashes to New

[Chorus]

G#m **F#**
I feel it coming on, something is changing us
E
And when the sun goes down, we ve got nowhere to run

[Verse 1]

G#m **F#** **E**
Into the night when the shadows in my head come out to play
F# **G#m** **F#** **C#** **E** **F#**
Not gonna fight cause I know that there is no way to escape
G#m **F#**
Black out the sun, I ve come undone, my thoughts are racing
E **F#**
They re out for blood, can t get enough, can t get enough

[Pre-Chorus]

G#m
I see what I m becoming, as a part of me now
F#
Pacing, I can t shake this
C#
I tell myself it s nothing, but I know deep down
E **F#**
No matter what I do, it s gonna find a way out

[Chorus]

G#m **F#**
I feel it coming on, something is changing us
E **C#** **F#**
And when the sun goes down, we ve got nowhere to run
G#m **F#**
I feel it coming on, the dark before the dawn
E **C#** **F#**
And when the sun goes down, we ve got nowhere to run

[Verse 2]

G#m **F#** **E**
Paralyzed by the creatures that are creeping in my mind
G#m **F#** **C#** **E**
And I won t hide cause I know they re gonna find me every time
G#m **F#**
Black out the sun, I ve come undone, my thoughts are racing

E **F#**
They're out for blood, can't get enough, can't get enough

[Pre-Chorus]

G#m
I see what I'm becoming, it's a part of me now
F#
Caving, I can't take this
C#
I'm trying not to hold it 'cause I know deep down
E **F#**
No matter what I do, it's gonna find a way out

[Chorus]

G#m **F#**
I feel it coming on, something is changing us
E **C#** **F#**
And when the sun goes down, we've got nowhere to run
G#m **F#**
I feel it coming on, the dark before the dawn
E **C#** **F#**
And when the sun goes down, we've got nowhere to run

[Bridge]

C#
I tell myself it's nothing, but I know deep down
E **G**
No matter what I do, it's gonna find a way out

[Instrumental Break]

G#m F# C# E

[Chorus]

G#m **F#**
I feel it coming on, something is changing us
E **C#** **F#**
And when the sun goes down, we've got nowhere to run
G#m **F#**
I feel it coming on, the dark before the dawn
E **C#** **F#** **G#m F# E**
And when the sun goes down, we've got nowhere to run
C# **F#** **G#m F# C#**
We've got nowhere to run
