

Through It All
From Ashes to New

[Verse 1]

Fm **Eb**
There s not a day that passes by, the pain has not amassed inside
Db **Bbm**
It s breaking me down to the ground, it s like I crashed and died
Fm **Eb**
It s hard to leave your past behind, especially when you re last in line
Db **Bbm**
And half the time it acts like vines and wraps inside my fragile mind
Fm **Eb**
Hiding in plain view, it seems the same old shit I choose between
Db **Bbm**
Taking who I used to be and keeping it subdued beneath
Fm **Eb**
Close to dead and losing me, you took a chance and you believed
Db **Bbm**
So did I, I let you lead and grabbed the line you threw to me
Fm
And through it all

[Chorus]

Fm **Eb**
You saved me, you made me
Db **Bbm**
And through it all, you changed me forever
Fm **Eb**
You love me, you hate me
Db **Bbm**
And through it all, you changed me forever

[Verse 2]

Fm **Eb**
You ve given me a chance to change, helped me in ways I can t explain
Db **Bbm**
I ll never understand the way you took my hand with no dismay
Fm **Eb**
Now I m who I am today, and that s the man I plan to stay
Db **Bbm**
But can t escape, I can t evade, you stranded me and ran away
Fm **Eb**
Why d you do it? Why d you leave? Why d you help me find my feet?
Db **Bbm**
Why d you guide me blindingly then turn and say goodbye to me?
Fm **Eb**
All this time I tried to be the person you applied to me

Db

Bbm

This lie you feed that I d succeed is why I m me, a dying breed

[Chorus]

Fm

Eb

You saved me, you made me

Db

Bbm

And through it all, you changed me forever

Fm

Eb

You love me, you hate me

Db

[Verse 3]

Fm

Eb

It s killing me down deep within, it makes me strain to breathe again

Db

Bbm

All this pain I keep it in if it s the end where d we begin

Fm

Eb

It s so hard to comprehend where we are is where we end

Db

Bbm

Let s make believe, let s just pretend, you don t hate me and want me dead

Fm

Eb

What you said stays in my head, an unrelenting discontent

Db

Bbm

It torments me to no extent, entrenches me just like cement

Fm

Eb

It makes no sense what s your intent, bled for me then fled instead

Db

Bbm

You never meant to be content, fuck the words, let s just be friends

[Chorus]

Fm

Eb

You saved me, you made me

Db

Bbm

And through it all, you changed me forever

You love me, you hate me
