

Autumns Monologue

From Autumn to Ashes

This is not completely accurate (you won't be able to play it along with the record and match it up exactly) but it's pretty darn close and it sounds right when you just play it. If you have any corrections or anything submit them or e-mail me: mailbox_1984@yahoo.com

Standard Tuning

Am G

Oh why can't I be what you need

F

a new improved version of me

but I'm nothing so good

G

no I'm nothing

F Am

just bones, a lonely ghost burning down songs

G

of violence of love and of sorrow

F

I beg for just one more tomorrow

where you hold me down fold me in

G F Am

deep deep deep in the heart of your sins

Am F

C G Am F

I break in two over you

C G

I break in two

Am F

And each piece of me dies

C G Am F

And only you can give the breath of life

G Am

But you don't see me, you don't...

Am G

here I'm in between darkness and light

F

bleached and blinded by these nights

G

where im tossing and tortured til dawn

Am

by you, visions of you then youre gone

G

the shock lifts the red from my face

F

when i hear someone s taking my place

G

how could love be so thoughtless, so cruel

Am F

C G Am F

I break in two over you

C G

I break in two

Am F

And each piece of me dies

C G Am F

And only you can give the breath of life

C G

But you dont see me, you dont...

Chorus instrumental - Am,F,C,G (x4) (piano solo thing)

Am F

C G Am F

I break in two over you

C G

I break in two

Am F

And each piece of me dies

C G Am F

And only you can give the breath of life

C G

But you dont see me, you dont...

Am F

C G Am F

i break in two over you

C G Am G

i break in two over you, over you

C

i break in two

G

i would break in two for you

Am

now you see me

G

now you don t

F

now you need me

Am

now you don t
