

Short Stories With Tragic Endings

From Autumn to Ashes

This is just the acoustic part where Melanie Wills sings:

Am
Did you ever look, did you ever see that one person,
Em **Cadd9**
And the subtle way that they do these things and it hurts so much?
Dsus2
So much like choking down the embers of a great blaze.
Am
It s that moment when your eyes seem to spread aspersions
Em **Cadd9**
And to scream confessions at the insipid sky parting clouds.
Dsus2 **Am**
You let this one person come down in the most perfect moment.
Em **Cadd9** **Dsus2** **Am**
And it breaks my heart to know the only reason you are here now is
Em **Cadd9**
A reminder of what I ll never have
Dsus2
I ll never have... I ll never...
Am
Standing so close knowing that it kills me to breathe you in.
Em **Cadd9**
Standing so close knowing that it kills me to breathe you in.
Dsus2 **Am**
But this table for one has become bearable.
Em **Cadd9** **Dsus2**
I now take comfort in this, and for this, I cherish you.

And you let this one person come down, come down.
Am **Em** **Cadd9**
I cherish you... I cherish you.
Dsus2
Just say you would do the same for me.
Am **Em**
Just say you would do the same for me.
Cadd9 **Dsus2**

Say you would do the same...

Am **Em**

Just say you would do the same for me.

Cadd9

For as much as I love Autumn,

Dsus2 **Am**

I m giving myself to Ashes.
