From First to Last

Am G
I can t eat anything
D E
Without shoving my hands down my throat
Am G D
And I refuse to meet the world without smearing on makeup
E Am
With my hair blinding my eyes
G D E
Oh, blinding my eyes

Am G D E
I can t remember the last time I ve seen my own eyes
Am G
Or the color of my skin
D E
Do you know what it s like to feel ugly all the time?

Am G
I stretch myself across the world
D
Pushing my limits
E
For your entertainment and
Am G
You had the nerve
D
To call out my weaknesses and
E
drag me through the dirt

Am G D E
I can t remember the last time I ve seen my own eyes
Am G
Or the color of my skin
D E
Do you know what it s like to feel ugly all the time?

Am G

I m staring in the mirror

Looking back at the person I hate
