

Weeds And Life Among Them
Frontier Ruckus

Capo 3rd Fret

C G#m C
And I remember the song I used to sing

Em
I belong among the weeds

Dm G
Amidst the overhanging trees

C
I would sing

G#m C
And you should remember the song you used to sing

Em
I belong atop the road

Dm G
Where the lapping seeds were sowed

Am Em F C
You would sing for me

C G#m C
And I remember the storm was wet like birth

Em
And the hail would lick the weeds

Dm G
And the battling of trees

C
Above the earth

C G#m C
And you should remember the air grew calm and thick

Em
We would lay among wet weeds

Dm G
And the drops dripped from the trees

Em G#m
Onto our faces, sticking

C
Like the weeds
