

All Is Found
Frozen

[Intro] **Am**

Am **D**
Where the north wind meets the sea
F **C**
There s a river full of memory
Dm **F**
Sleep, my darling, safe?and?sound
G **Am**
For in this?river all is found

Am **D**
In her waters, deep and true
F **C**
Lie the answers and a path for you
Dm **F**
Dive down deep into her sound
G **Am**
But not too far or you ll be drowned

F **C**
Yes, she will sing to those who ll hear
D **Dm**
And in her song, all magic flows
F **C**
But can you brave what you most fear?
D **Cm**
Can you face what the river knows?

Bb **Eb**
Where the north wind meets the sea
F# **Db**
There s a mother full of memory
F#
Come, my darling, homeward bound
Ab **Bb**
When all is lost, then all is found
