

**All Is Found**  
**Frozen**

[Intro] **Am**

**Am** **D**  
Where the north wind meets the sea  
**F** **C**  
There s a river full of memory  
**Dm** **F**  
Sleep, my darling, safe?and?sound  
**G** **Am**  
For in this?river all is found

**Am** **D**  
In her waters, deep and true  
**F** **C**  
Lie the answers and a path for you  
**Dm** **F**  
Dive down deep into her sound  
**G** **Am**  
But not too far or you ll be drowned

**F** **C**  
Yes, she will sing to those who ll hear  
**D** **Dm**  
And in her song, all magic flows  
**F** **C**  
But can you brave what you most fear?  
**D** **Cm**  
Can you face what the river knows?

**Bb** **Eb**  
Where the north wind meets the sea  
**F#** **Db**  
There s a mother full of memory  
**F#**  
Come, my darling, homeward bound  
**Ab** **Bb**  
When all is lost, then all is found
