VERSE 1

Eb Bb
I see our stars tonight
Cm G#
Do you recall that light
Eb Bb Cm G#
Or do you ever think of me
Eb Bb
And in your world somewhere
Cm G#
Do memories rip and tear
Eb Bb
The ones that always keep you
Cm G#
hanging on to all that might have been

CHORUS

Eb Bb
And I love you now

Cm G#
And I hate you now
Eb Bb Cm G#
And I miss you most of all
Eb Bb
All those times we laughed
Cm G#
The scars that you left
Eb Bb Cm G#
Still I miss you most of all
Eb, Bb, Cm, G#
Yeah

VERSE 2

Eb Bb
And by the waterside
Cm G#
The tall grass where we lied
Eb Bb Cm G#
The nights we cried ourselves to sleep
Eb Bb
Most Septembers now

I break down somehow
Eb Bb
Remembering all we said, and
Cm G#
All those dreams we never got to see

CHORUS

Eb Bb
And I love you now
Cm G#
And I hate you now
Eb Bb Cm G#
And I miss you most of all
Eb Bb
Did you ever find

The star in your mind

Or do you miss me most of all
