VERSE 1

**E B**

I see our stars tonight

**C#m A**

Do you recall that light

**E B C#m A**

Or do you ever think of me

**E B**

And in your world somewhere

**C#m A**

Do memories rip and tear

**E B**

The ones that always keep you

**C#m A**

hanging on to all that might have been

CHORUS

**E B**

And I love you now

**C#m A**  
And I hate you now  
**E B C#m A**  
And I miss you most of all  
**E B**  
All those times we laughed  
**C#m A**  
The scars that you left  
**E B C#m A**  
Still I miss you most of all  
**E, B, C#m, A**  
Yeah

## VERSE 2

**E B**  
And by the waterside  
**C#m A**  
The tall grass where we lied  
**E B C#m A**  
The nights we cried ourselves to sleep  
**E B**  
Most Septembers now  
**C#m A**  
I break down somehow  
**E B**  
Remembering all we said, and  
**C#m A**  
All those dreams we never got to see

## CHORUS

**E B**  
And I love you now  
**C#m A**  
And I hate you now  
**E B C#m A**  
And I miss you most of all  
**E B**  
Did you ever find  
**C#m A**  
The star in your mind  
**E B C#m A**  
Or do you miss me most of all

## BRIDGE
