Get to trippin , we snip em, bout business, lil boy
May decisions, we turn em into millions, for sure
We don t sleep in, got meetings, we eatin , the fuck?
If I m sittin , I m shittin , on them, yeah, lil boy
We are not the same and that s a problem
Yeah, I got connection with the narcos
Had to scan the room like it s a barcode
On the top floor, gettin top dough
Hot like Culiacán, you know I got those
I ain t gotta reach, cause

Lil boy ain t bout that shit, lil boy ain t bout that shit
Lil boy ain t bout that shit, lil boy ain t bout that shit
Mami, bounce that shit, mami, bounce that shit
Mami, bounce that shit, mami, bounce that shit

I don t plan on leavin out the top (Never)
My bitch is probably pullin on a opp (Bah, bah)
Them migos hold th?m cookies in they socks (In they socks)
If you g?t caught, they ain t no snitchin on the block
And all that talkin they be doing, in one ear and out the other
If you weren t sleepin on the floor with me, then you is not my brother
I had them homies in the cut with me, was trappin out the hunnid
Get the rush in me they might just let it burn like I was Usher

Selling out these shows, I don t need rock (On God, trap)
Pointers on my neck, they worth a lot (Worth a lot)
Plugged in with the gente, they on lock (With the homies)
Fucked your baby momma, she a thot (She a thot)
All these chumps be tryin , but you know them boys my children (Lil boy)
Been done the corridos so you know I had to switch it
These fools ain t humilde, so they fallin off the business
Started my own label so you know that I don t need you

Cm

Lil boy ain t bout that shit, lil boy ain t bout that shit
Lil boy ain t bout that shit, lil boy ain t bout that shit
Mami, bounce that shit, mami, bounce that shit
