i m sick eith this
i m sick eith this
situations avoided or just missed?
my own sweet time says its twenty-four
hardly reconized simple things anymore

i don t want to be defeated
i don t want to be defeated
i don t want to be defeated
i don t want to be defeated

this is the point
this is the manifest
bed for the scraping
dirty little secret
reason for the gathering
consequence

what else is there to do
but go outside
look around
look around
