

Combination Lock

Fugazi

Date: Fri, 25 Aug 1995 15:06:29 -0500

From: * (Shleestak)

Medicine. If you have any corrections or tangs to add you just feel more than free to mail me buck-a-roo. I d love to hear from ya. You kids take care now...

-shlee

p=pull-off

h=hammer(awww yEah)-on

e	-----11-11-11-11h12p11--	-----11-11-11-11h12p11----	
B	-12-12-----	-12-12-----	
G	-----	-----	
D	-----	-----	you get the idea
A	-----	-----	
E	-----	-----	

e	-----
B	-----
G	--9^7-9^7-----
D	-----9-9*9-9-9^7-----
A	-----9-----
E	-----

*=only fret theses note as you play them..don t let it ring out. you end up almost tapping the string as you pick it.

There are of course other things to the song but just more obscure notes. The first riff has a little variation every forth measure. Just listen and play along.
