Out here i can barely see my breath
G B Em C
Surrounded by jealousy and death
G B Em C

Dragged underneath, separate from you all

G B Em C
This time i ve lost my own return
G B Em C
In spite of everything i ve learned
G B Em C
I hid my tracks, spit out all my air
G B Em C
Slipped into cracks, stripped of all my cares

G B Em C
No more struggle, no more energy
G B Em C
No more patient and you can write that down
G B Em C
