F# Bb Ebm B
Out here i can barely see my breath
F# Bb Ebm B
Surrounded by jealousy and death
F# Bb Ebm B
I can t be reached, only had one call
F# Bb Ebm B
Dragged underneath, separate from you all

F# F# C# C#

F# Bb Ebm B
This time i ve lost my own return
F# Bb Ebm B
In spite of everything i ve learned
F# Bb Ebm B
I hid my tracks, spit out all my air
F# Bb Ebm B
Slipped into cracks, stripped of all my cares

F# F# C# C#

F# Bb Ebm B
I m so tired sheep are counting me
F# Bb Ebm B
No more struggle, no more energy
F# Bb Ebm B
No more patient and you can write that down
F# Bb Ebm B
It s all too crazy and i m not sticking round
