a fine disservice  
deceptive too  
check for the sender  
the sender was you

caught me wide open  
no simple burn  
this is complicated  
calls for return

fine disservice  
intended too  
check for the sender  
the sender was you

the point has been recorded  
the malice has been revealed  
when i stripped away the humour  
from the arrow it concealed  
sharpened and soaked in urine  
it was meant to spread disease  
but now discovered  
becomes the sweet antithesis

returning the screw  
it comes back to you
