a fine disservice
deceptive too
check for the sender
the sender was you

caught me wide open
no simple burn
this is complicated
calls for return

fine disservice
intended too
check for the sender
the sender was you

the point has been recorded
the malice has been revealed
when i stripped away the humour
from the arrow it concealed
sharpened and soaked in urine
it was meant to spread disease
but now discovered
becomes the sweet antithesis

returning the screw
it comes back to you
