**A** foot, a leg

An elephant s parade.

Like a psychopathic fool

(Can I be,)
    **F#**

A frowny clown,

A leopard in town,
  **C#m**                             **B**
I traipse around like a cow
    **F#**
You look at me,

Tell me to take it easy
    **C#m**                           **B**
But there s no way to stop me now

**G#**, **D#m**, **C#**

      **G#**
I feel stupid when I m dancin

           **G#**
I just feel stupid when I m dancin
      **D#m**              **C#**
Like a psychopathic fool
