

**Bow Down And Worship Him**

**Full Gospel Baptist Fellowship Mass Choir**

I have heard this done by Paul Morton and others BUT I do not know who wrote it so  
email me if you know the author so I can give credit. It is an awesome song and  
this is my  
and is not the Paul Morton version. It is very easy to sing to for most praise  
teams;  
those that use guitar.
