

**About me**

**Fun people**

Todo el tema con B - E

How are you doing of animo  
You didn't came back tonight  
I think and talk to you  
About your personal use of (marihuana)  
The police break you freedom  
The law censure you again,  
the police jailed my friends  
and the Blue sky turn red to me  
and you talk about me
