WHAT WILL WE GONNA PAY?

Todo el tema con D5 G5 D5 A5

What will we gonna pay for peace?

What will we gonna pay for freedom?

What will we gonna pay for justice?

What will we gonna pay

for the rest of our days?

What will gonna pay for your rights?

I never loose my faith for throught,  
throught all this time

But, what will gonna pay for our rights,  
for your rights?
