

All Alright

Fun.

Intro: **A C#m/G# F#m E**

Chorus:

A C#m/G#
And it s all alright I guess it s all alright.
F#m E
I got nothing left inside of my chest, but it s all alright.
A C#m/G#
Yeah, it s all alright I guess it s all alright.
F#m E
I got nothing left inside of my chest, but it s all alright.

Verse 1:

A C#m/G#
And I got the call soon as the day hit night.
F#m
As soon as the headlights lit up the Westside.
E
I stopped the car and came outside
A
Cause I know that tone.
C#m/G#
I remember the first time
F#m
we wished upon parallel lines.
E
Waiting for a friend to call
D
and say they re still alive.
E
I ve given everyone I know
A/C# D
a good reason to go.
E
I was surprised you stuck around
A
long enough to figure out

Chorus:

(A) C#m/G#
That it s all alright I guess it s all alright.
F#m E
I got nothing left inside of my chest, but it s all alright.
A C#m/G#
Yeah, it s all alright I guess it s all alright.
F#m E
I got nothing left inside of my chest, but it s all alright.

A C#m/G# F#m E

Verse 2:

A

And now all my loves that come back to haunt me.

C#m/G#

My regrets and texts sent to taunt me.

F#m

E

I never claimed to be more than a one-night stand

D

E

I've given everyone I know

A/C# D

a good reason to go.

E

But I came back with the belief

A

that everyone I love is gonna leave me.

Chorus:

(A)

C#m/G#

And it's all alright I guess it's all alright.

F#m

E

I got nothing left inside of my chest, but it's all alright.

A

C#m/G#

Yeah, it's all alright I guess it's all alright.

F#m

E

I got nothing left inside of my chest, but it's all alright.

Bridge:

Dmaj7

And I know, ohh nooo,

C#m

You've fallen from the sun.

Bm

A/C#

Crashing through the clouds.

D

E

I see you burning out.

F#m

And I know, ohh nooo,

C#m

that I put up a front

Bm

A/C#

But maybe, just this once,

D

E

let me keep this one.

Chorus:

A

C#m/G#

And it's all alright I guess it's all alright.

F#m

E

I got nothing left inside of my chest, but it's all alright.

A

C#m/G#

Yeah, it's all alright I guess it's all alright.

F#m **E**
I got nothing left inside of my chest, but it s all alright.

Chorus:

A **C#m/G#**
And it s all alright I guess it s all alright.

F#m **E**
I got nothing left inside of my chest, but it s all alright.

A **C#m/G#**
Yeah, it s all alright I guess it s all alright.

F#m **E** **A**
I got nothing left inside of my chest, but it s all alright.
