

**Sight Of The Sun
Fun.**

This is my first tab, and it sounds accurate when you play along! I hope this helps, this song is amazing! :)

fun. - Sight of the Sun

Tuning: Standard (E A D G B E)

E Ebm C#m B
For once, there is nothing up my sleeve

E Ebm C#m B
Just some scars from a life that used trouble me

E Ebm C#m B
I used to run at first sight of the sun

E B C#m B
Now I lay here waiting for you to wake up

E Ebm C#m B
The city outside still sounds like it s on fire

E Ebm
You put on new sheets

C# B
The white flag of a Saturday night

E Ebm C# B
I know we stayed up talking in circles

E Ebm
But I like to think the symmetry

C# B
Will keep me close to you

E Ebm C# B
For everyone, I m out to pull wrong, you keep the light on

E Ebm C# B
The only one, you now me better than the truth

E Ebm C# B
So despite what I ve done I pray to God that we can move on

E **Ebm** **C#** **B**
Cause thus far you are the best thing that this life is yet to lose

E **Ebm** **C#** **B**
And, for once there is nothing up my sleeve

E **Ebm** **C#** **B**
Just some scars from a life that used to trouble me

E **Ebm** **C#** **B**
I used to run at first sight of the sun

E **Ebm** **C#m** **B**
Now I lay here waiting for you to wake up

E **Ebm** **C#m** **B**
I lay here waiting for you to wake up

E **Ebm** **C#** **B**
So if you gonna leave, if you gonna go

E **Ebm** **C#** **B**
I can t bare to sleep without you in my arms

E **Ebm** **C#** **B**
I know we got caught up slipping through a crowd of people and losers

E **Ebm**
But you must not let them take you

C# **B**
They don t know you like I do

E **Ebm** **C#m** **B**
For once, there is nothing up my sleeve

E **Ebm** **C#m** **B**
Just some scars from a life that used trouble me

E **Ebm** **C#m** **B**
I used to run at first sight of the sun

E **B** **C#m** **B**
Now I lay here waiting for you to wake up

E **B** **C#m** **B**
I lay here waiting for you to wake up

E **Ebm** **C#m** **B**
Do you remember when we stayed up till the sun stretched through the room

E **Ebm** **C#m** **B**
I used to blame it on the queens walking down 7th Avenue

E **Ebm**

It's been years now since we moved

C#m **B**

I've gotten through with an excuse

E **Ebm**

You know I try not to speak superlatives

C#m **B**

But it's impossible to you

(instrumental, so just repeat the chorus chords)

E **Ebm** **C#m** **B**

The city outside is nothing but a flicker now

E **Ebm** **C#m** **B**

You see our friends to bed, you turn out the lights

E **Ebm** **C#m** **B**

I start to think you'll make a beautiful mother, I

E **Ebm** **C#m** **B**

I like to think I have everything I want from this life.
