

**Some Nights**  
**Fun.**

[Chorus]

**C** **F** **C**  
Some nights I stay up cashing in my bad luck.  
**C** **G**  
Some nights I call it a draw.  
**C** **F** **C**  
Some nights I wish that my lips could build a castle.  
**F** **C** **G**  
Some nights I wish they'd just fall off

**F** **C** **F** **C**  
But I still wake up, I still see your ghost.  
**F** **C** **G**  
Oh Lord, I'm still not sure what I stand for, oh.  
**F** **C** **F** **C**  
What do I stand for? What do I stand for?  
**F** **G** **C** **F** **C** **F** **C** **G**  
Most nights, I don't know anymore

[Verse]

**C**  
This is it, boys. This is war.  
**F** **C**  
What are we waiting for?  
**F** **C** **G**  
Why don't we break the rules already?  
**C**  
I was never one to believe the hype.  
**F** **C**  
Save that for the black and white.  
**F** **C**  
I try twice as hard and I'm half as liked,  
**G**  
But here they come again to jack my style  
**C**  
And that's alright  
**F** **C**  
I found a martyr in my bed tonight.  
**F** **C**  
She stops my bones from wondering  
**G**  
Just who I am, who I am, who I am.  
**C** **F** **C** **F** **G**  
Yeah, oh who am I mmmm mmmmm

CHORUS again:

Some nights I wish that this all would end  
Cause I could use some friends for a change.  
And some nights I m scared you ll forget me again.  
Some nights, I always win (I always win)  
But I still wake up, I still see your ghost.  
Oh Lord, I still don t know what I stand for, oh.  
What do I stand for? What do I stand for?  
Most nights, I don t know

Ten years of this, and I m not sure if anybody understands.
