VERSE I

A

It s how we do it!

D

Our feet in the sand

A

It s how we do it!

D

Our heads in our hands

A

It s how we do it!

D

I m not lookin for a reason to go

A

It s how we do it!

E

F#m

D

We did it, we done it, but never before

E

Oh, I know

CHORUS :

A

D

You put the keys in the car and drive

E

A

I m gonna make sure the money is right

F#m

D

I know we can do it if we do it all night

E

A

You put the keys in the car and drive.

A

It s how we do it!

VERSE II

A

It s how we do it,

D

If I lose you, I m losing control.

A

So snap your fingers, pull the trigger

D

Cause I figure we re better as gold.

A

It s how we do it

D

On a sattelite, lookin for a signal to space

A

It s how we do it

E **F#m** **D** **E**

We did it, we done it, let s do it again.

CHORUS:

A **D**

You put the keys in the car and drive

E **A**

I m gonna make sure the money is right

F#m **D**

I know we can do it if we do it all night

E **A**

You put the keys in the car and drive.

A **D**

I ll find somebody who will stitch me up

E **A**

Though I ve never been better when we re falling apart

F#m **D**

I know we can do it if we do it all night

E **A**

You put the keys in the car and drive

E **A**

You put the keys in the car and drive.

F#m **D**

For all that I know,

A **A7**

It s gonna come back tenfold.

F#m

For all that I know,

A7

It s gonna come back tenfold.

D

But darling, oh no

E

I don t think

A

F#m

that we ll make it out alive

D

Darling, oh no

E

A

We won t make it out alive.

A

Now I m lost

D

With each passing day

A

So if you come in, then come quick

D

Cause I m scared I m floating away.

A

It s how we do it

D

For the first time, I don t need a reason to go

A

It s how we do it,

E

F#m

D

we did it ,We done it, let s do it some more.

CHORUS:

A

D

You put the keys in the car and drive
