[A]------7-7-------7-6---7---------------------|
[E]------------------5------------------------|
```

A   C#m F#m   E
...sleeping on my side

E
I finish kissing my dad
A
So now I head back up the steps
E
Thinking about where I ve been
A
I mean it s always never like this
E
I wanna feel with the season
A
I guess it makes sense
A   **C#m**   **F#m**
That my life s become as vapid as
A   **C#m**   **F#m**
A night out in Los Angeles
A   **C#m**   **F#m** **Em** **B**
And I just wanna stay in bed

A   **E**
I hold you like I used to
A   **E**
You know that I am home
A   **E**
So darling if you love me
                          F#m **C#m** **A** **B**
Will you let me know?

E
Or go on, go on, go on
                          F#m   **B**

If you ve been thinking that the worst is yet to come
A   **E**
Why am I the one
        A   **B**
Always packing up my stuff?
E
For once, for once, for once
                              F#   **B**
I get the feeling that I m right where I belong
A   **E**
Why am I the one
        A   **B**
Always packing up my stuff?

E
she s got enough on her mind
A
That she feels no sorrow
E
I let my faith fill the air
A
Now she s rolling down the window
E
Never been one to hold on
A
But I need a last breath
E   **C#m**   **F#m**
So I ask if she remembers when
A   **C#m**   **F#m**
She used to come and visit
              A   **C#m**   **F#m**   **Em**   **B**   **B**
Man, we were fools to think that nothing could go wrong

E
Or go on, go on, go on
                              F#m   **B**
If you ve been thinking that the worst is yet to come
A   **E**
Why am I the one
        A   **B**
Always packing up my stuff?
E
For once, for once, for once
                              F#   **B**
I get the feeling that I m right where I belong
A   **E**
Why am I the one
        A   **B**
Always packing up my stuff?
A   **E**
I think I kind of like it

```
        F#m                 B
But I might have had too much

BRIDGE (2.5x)
*E
I ll move back down
        *A
To this western town
          *F#m
When they find me out
        *A              *B
Make no mistake about it

Why am I the one
        C#m          B
Always packing up my stuff?
E
Go on, go on, go on
                              F#m              B
If you ve been thinking that the worst is yet to come
A          E
Why am I the one
A                  B
Always packing up my stuff?
E
For once, for once, for once
                        F#m          B
I get the feeling that I m right where I belong
A          E
Why am I the one
A                  B
Always packing up my stuff?
A                  E
I think I kind of like it
      F#m              B
But I might have had too much
I ll move back down
