

Roses For The Dead
Funeral for a Friend

It s not the entire song but its the best i can do...
Like it says, you have to play it in Eb etc.

Intro:

Em C Dx2

Em C D Em
Just to say we re sorry for the black eyes and bleeding lips, well it s
C D Em
D
hard to forget how many lives we stole or how old we grow before I said
Em C D
goodbye. So let s scrape our knees on the playground.

Bridge(I really don t know this part!!!! sorry):

It s not your fault you feel okay, it s too late in the day. It s not your fault
you
betrayed, you can t come out to play.

Chorus:

Am F G Am F G
I never listened to a word you never said. I never listened to a word you
Em (let ring)
never...said.

Verse:

Em (let ring continued) **D Em**
Wasting the hours now, we re all suckers for tragedies. We ll start this
Em C D
over again and you bring us to our knees. As sunrise comes and the story
Em C D (Let ring)
will sell a few hundred papers and we ll follow you up.

Bridge

Chorus:

Am F G Am F G
I never listened to a word you never said. I never listened to a word you
Am F G Am F G Am
never said. So raise your hands up high and let this rain pour. So raise
F G Am F G C G C
your hands up high and wash us away like innocence and childbirth. You look
G C G C G C
just like your mother and you look just like your father. Forgive him, our
G C G C G
father, your son is smiling so lay roses around you.

I truly hope Ultimate Guitar accept this it took me ages to work this out!...If

so hello!
