The Great Wide Open - Funeral For A Friend

VERSION 2 (ACOUSTIC)

By Nicolas Rapiera

From Madagascar

I think it s easier than my first version. As for me it s better as an acoustic version  
an electric..

I m not sure if it s B or Bm, E or Em and F#m or F but if you like, you can change.

No capo

**G** **Am**  
Spitting from the bridges, like a bird perched on a branch,  
**G** **Am**  
I m wilting like a tree that will never let me breathe.

Pre-chorus:

**G** **F** **Am**  
Soul soldier with your gun held high, where does the crow fly,  
**G** **F** **Am**  
soul soldier with your gun held high, will you follow it home.

Chorus:

**G** **Em** **F#m**  
For the road that we walk has more miles left to talk,  
**G** **Em** **F#m**  
stories on and on we go, into the great wide open.

Verse 2:

**G** **Am**  
No it never came back to break me, the way it broke it down,  
**G** **Am**  
spitting from the bridges, while the trees give a soft sigh to the ground.
