

Kick It Out

Fury in the Slaughterhouse

Em Cadd9 G D
I m just a lonely boy, drinking to much liquor
Em Cadd9 G D
Writing songs that no one wants to hear
Em Cadd9 G D
I take my pictures from the wall and I paint them black
Em Cadd9 G D
I close my eyes to see clear

Em Cadd9 G D
I m just a lonely boy, drinking to much liquor
Em Cadd9 G D
Writing songs that no one wants to hear
Em Cadd9 G D
I take my pictures from the wall and I paint them black
Em Cadd9 G D
I close my eyes to see clear

Em Cadd9 G D
I take my guitar and I kick it out of the window
Em Cadd9 G D
I hope that the wind blows and I ll never get it back

Em Cadd9 G D
I buy myself a liquor store for my own
Em Cadd9 G D
And then I drink it all alone
Em Cadd9 G D
Baby, if you wanna follow me, you gotta know
Em Cadd9 G D
That I never will let you go

Em Cadd9 G D
I take my guitar and I kick it out of the window
Em Cadd9 G D
I hope that the wind blows and I ll never get it back

Em Cadd9 G D
I take my guitar and I kick it out of the window
Em Cadd9 G D
I hope that the wind blows and I ll never get it back
