

Radio Orchid
Fury in the Slaughterhouse

Capo 1

[Intro] (x2)

Am F G

[Verse 1]

Am F G
There s an old lady living in an old house
Since her husband died she hasn t been out
She lives in her own world with her own little nightmares
And she s stopped counting the days

[Verse 2]

Am F G
She buys a radio station with her husbands legacy
She does her own show 10 hours a day
Plays poems and listens lets feelings run free
Helps people talk their pain away

[Bridge]

A#
So if your world falls down
Dm
Can t see the light of day
C G B
call the station today

[Chorus]

Am F G
This is radio orchid listen and cry
To all the others that suffer and die
This is radio orchid listen and cry
Take your lonely heart and let fly

[Verse 3]

Am F G
Sending her message she s solving the problems
Of millions and millions and who solves hers
The old lady gets older still lives in her old house
But when she dies we ll all live alone

[Bridge]

A#
So if your world falls down
Dm
Can t see the light of day
C G B

call the station today

[Chorus]

Am **F** **G**

This is radio orchid listen and cry
To all the others that suffer and die
This is radio orchid listen and cry
Take your lonely heart and let fly
Take your lonely heart and let fly
