**Future Islands**

Capo: 6th fret  
Tuning: Standard

Intro: Amaj7, E

[Verse 1]

**Amaj7**

A part of me - you have

A part of me - you hold

**E**

Apart from me - you stand

And there s parts that you have stole

[Verse 2]

**Amaj7**

You collect them in the cupboards

Like the pieces of a puzzle

**E**

And nest just like a mother

In the dampness of your sweater

**Amaj7**

And it s never put together

As I ve watched you from the window

**E**

Behind the curtains, winter

Moves slowly as a tether

**Amaj7**

To wrap around you tightly

As lovers will in meadows

**E**

To fall in love with shadows

Where the snow is all but melted

**Amaj7**

And it s never put together

It s never put together

**E**

Behind the curtains, winter

Falls slowly as a feather

[Chorus]

**Ama j7**

A part of you - I have

The part of you - I hide

**E**

A part of you I hold

The part you left behind

[Refrain]

**Ama j7**

**E**

Call on me, I ll be there always

**Ama j7**

And call on me

**E**

I ll be there always

**Ama j7**

And call on me

**E**

I ll be there always

**Ama j7**

Call me

**E**

I ll be there always (Ooo-oo-oo-oooo)

**Ama j7**

Call me

**E**

I ll be there always (Ooo-oo-oo-oooo)

**Ama j7**

Call me

**E**

I ll be there always (Ooo-oo-oo-oooo)

[Chorus]

**Ama j7**

A part of me - you have

A part of me - you hold

**E**

Apart from me - you stand

And there s parts that you have stole

**Ama j7**

A part of you - I have

The part of you--I hide

**E**

A part of you I stole

The part you left behind

**Ama j7**
