

The Things That We Should Say
Future of Forestry

|-----THE THINGS THAT WE SHOULD SAY
|-----from YOUNG MAN FOLLOW
|-----by FUTURE OF FORESTRY
|-----tabbed by D.I.R.T.
|-----CAPO 1

Chords are given at the bottom.

A2 is tabbed as A, for convenience and A is tabbed as A3.

The A (A3 A) moment is a quick adding of the third to the chord but then right back to the A2. Enjoy!

Intro: **D D [G A] D [G A]**

D **A** **Bm**
Done with you and time will tell

G **Bm**
Past between my hands

D **A** **Bm** **G**
The memories we can feel them fade

Bm **A** **G**
Like circles in the sand

D **A** **Bm**
A thousand thoughts, a thousand dreams

G **Bm**
Lost within the day

D **A** **Bm** **G**
A thousand ways for souls to touch

A **G**
The things that we should say

Bm **A** **D**
The things that we should say

G **Bm**
It s been a cold bitter line

A **Bm**
Maybe it could be a while

G **Bm** **A (A3 A)**
Til the sun and the sky light the way

G **Bm**
I ll bring you close, you could stay?

A **Bm**
Before our time has gone away

A Asus4 A3
We should say...

Bm A D

The things that we should say

Tendency, weaknesses

They make me who I am

I m falling through the cracks and turns

I m circles in the sand

It s not lost when your love is near

Don t let this world turn gray

The dreams are open lips that hear

The things that we should say

The things that we should say

It s been a cold bitter line

Maybe it could be a while

Til the sun and the sky light the way

I ll bring you close, you could stay?

Before our time has gone away

We should say...

Bridge: **G, Bm, A, Bm, G, Bm, A Asus4 A3**

It s been a cold bitter line

Maybe it could be a while

Til the sun and the sky light the way

I ll hold you close, would you stay?

Before our time has gone away

We should say...

The things that we should say
