

**You And I**  
**Future of Forestry**

Verse 1:

[G] Water for the thirsty  
Wholeness for the meek  
[Em7] Shelter and foundation for the [Cadd9] weak  
[G] Friendship for the lonely  
Riches for the poor  
[Em7] Fulfillment for the ones who yearn for [Cadd9] more

Pre-chorus:

[D/F#] You are [Em7] what I long for  
[D/F#] You are [Cadd9] what I need

Chorus:

When it s [G] You and I  
Then my [D/F#] heart can sing  
When it s [Em7] You and I  
Then my [Cadd9] soul is free  
You are [G] all my life  
You are [D/F#] all my strength  
You are [Em7] all my hope  
You are [Cadd9] everything

Verse 2:

[G] So take me to the inside  
The inside of your heart  
[Em7] Take me to the depths of who You [Cadd9] are  
[G] Shake me with Your wonder  
Stir me with Your grace  
[Em7] Lighting every dark and empty [Cadd9] space

Pre-chorus

Chorus

Bridge:

You are [Bm7] here, You surround [Cmaj7] me  
Glory [Em] falls from the [Dsus4sus6] fountain of Your beauty  
You are [Bm7] now, You surround [Cmaj7] me  
Glory [Em] falls from your [Dsus4sus6] tender hand of mercy  
You are [Bm7] God, You surround [Cadd9] me  
Glory [Em7] falls from Your [D/F#] love

Chorus

Bridge Chords (my version):

	<b>Bm7</b>	<b>Cmaj7</b>	<b>Em</b>	Dsus4sus6
e	---2-----	3-----	7-----	5-----
B	---0-----	0-----	0-----	0-----
G	---2-----	0-----	0-----	0-----
D	---0-----	2-----	5-----	4-----
A	---2-----	3-----	7-----	5-----
E	---x-----	x-----	x-----	-----

everything else i just play holding the the 3rd fret on the b and e string and move around

the two bass notes (including the D/F# so technically it s a Dsus4/F# this is really easy if you use your thumb for the F#)

hope this helps! this is my first tab submission! finally giving back!
