                    C5
Here i am at home your voice is on the phone
                       C5
trying to figure out where has our friendship gone
          Εm
                         C5
believe you to be something now i know you're not
                         C5
        Εm
you don't have to tell me i know i messed things up

                                                              G5
IIII...... I thought it was a gaaaaaaame now things won't be the same.
G5-Em-C5-G5 (x2)
Verso 2:
Try to figure out how things wound up so wrong
now we haven't seen each other for so long
well at least we talked before you walked away
hope we still be friends if you come back some day
Coro 2: (con los mismos acordes del coro 1)
Guess i am to blame wish we could start again
G5-Em-C5-G5 (x4)
