## Wontcha Come Home G. Love & Special Sauce

Tuning: Standard

\*NOTES\*

For the solo he uses the F chromatic scale

F# C# F# Darlin I ve been waitin while you ve gone and done your changing F# C# F# But you know that I don t got much time F# C# F# Still everywhere I go I see people waiting just like me F# Waiting for you to come on home I love you darlin , don t leave me alone F# В C# Wontcha come home now? F# C# Wontcha come home now? F# C# Believe me girl I need your love F# F# No one else will ever take your place F# C# Wontcha come home now? F# C# F# Wontcha come home now? Wontcha come home? Wontcha come home?

Wontcha come home now?

C#

R

Wontcha come home? Wontcha come home?

I know you got my tricks hiding up your sleeve But wontcha take a ride and stay with me? We can take a walk underneath the moonlight While the guitar strums to the rhythm so tight

F#

C#

F#

There s no need for looking when you found what you need Cause I got you and you got me
There s no need for looking when you found what you need So come on home darlin , set me free

Wontcha come home now?

Wontcha come home now?

Wontcha come home? Wontcha come home? Wontcha come home? Wontcha come home?

Wontcha come home now?

Wontcha come home? Wontcha come home? Wontcha come home? Wontcha come home?

Wontcha come home now?

Wontcha come home? Wontcha come home? Wontcha come home? Wontcha come home?

Wontcha come home now?

Darlin  $\mbox{I}$  ve been waiting while you ve gone and done your changing  $\mbox{But}$  you know that  $\mbox{I}$  don t got much time
