How ve you been? Glad to hear it  
**G#m7 G#m6**  
Just one question if you can bear it  
**G#m G#m(m7)**  
Do you ever miss me, too?  
**G#m7**  
Cause I spend my days still thinking of you  
**G#m G#m(m7)**  
Should I take the pill to numb the pain?  
**G#m7 G#m6**  
Change the chemicals inside my brain  
**G#m G#m(m7)**  
I worry I won t be the same  
**F#**  
But I guess that that s the point.

**G#m B**  
Can you medicate a broken heart?  
**E Ebm**  
Make your tragedies a work of art  
**G#m B**  
Medicate a broken heart  
**E Ebm**  
Build your walls up just to rip them apart  
**G#m G#m(m7)**  
Is this the way to fix this or is this a quick  
fix?  
**G#m7 G#m&**  
I really couldn t say  
**E F#**  
Can you medicate, medicate, medicate it away?

Doctor s smile, kill me with kindness  
And don t ask about the side effects  
Swallow hard, kills sadness with science  
But the aftermath might make you sick

Should I take the pill to numb the pain?  
Change the chemicals inside my brain  
I worry I won t be the same  
But I guess that that s the point

Can you medicate a broken heart?  
Make your tragedies a work of art  
Medicate a broken heart  
Build your walls up just to rip them apart  
Is this the way to fix this or is this a quick fix?  
I really couldn t say  
Can you medicate, medicate, medicate it away?

**G#m B E Ebm...**

Whoa, whoa  
Oh, medicate it away  
Whoa, whoa  
Oh, medicate it away

**G#m B E Ebm...**

They say give yourself a break  
They told me to medicate  
I don t wanna medicate

Oh, can you medicate a broken heart?  
Make your tragedies a work of art  
Medicate a broken heart  
Build your walls up just to rip them apart  
Is this the way to fix this or is this a quick fix?  
I really couldn t say  
Can you medicate, medicate, medicate it away?

Whoa, whoa  
Oh, medicate it away  
Whoa, whoa (Whoa)  
Oh, medicate it away

Oh, medicate it away  
Oh, medicate it away
