

## Medicate

Gabbie Hanna

Intro: Am Am(m7) Am7 Am6

Am Am(m7)  
I m unwell, thanks for asking  
Am7 Am6  
Don t mind me cause I m just passing by  
Am Am(m7)  
In this life, been a while  
Am7 Am6  
Thought that you forgot, but that s alright  
Am Am(m7)  
How ve you been? Glad to hear it  
Am7 Am6  
Just one question if you can bear it  
Am Am(m7)  
Do you ever miss me, too?  
Am7  
Cause I spend my days still thinking of you  
Am Am(m7)  
Should I take the pill to numb the pain?  
Am7 Am6  
Change the chemicals inside my brain  
Am Am(m7)  
I worry I won t be the same  
G  
But I guess that that s the point.

Am C  
Can you medicate a broken heart?  
F Em  
Make your tragedies a work of art  
Am C  
Medicate a broken heart  
F Em  
Build your walls up just to rip them apart  
Am Am(m7)  
Is this the way to fix this or is this a quick  
fix?  
Am7 Am&  
I really couldn t say  
F G  
Can you medicate, medicate, medicate it away?

Doctor s smile, kill me with kindness  
And don t ask about the side effects  
Swallow hard, kills sadness with science  
But the aftermath might make you sick

Should I take the pill to numb the pain?  
Change the chemicals inside my brain  
I worry I won t be the same  
But I guess that that s the point

Can you medicate a broken heart?  
Make your tragedies a work of art  
Medicate a broken heart  
Build your walls up just to rip them apart  
Is this the way to fix this or is this a quick fix?  
I really couldn t say  
Can you medicate, medicate, medicate it away?

**Am C F Em...**

Whoa, whoa  
Oh, medicate it away  
Whoa, whoa  
Oh, medicate it away

**Am C F Em...**

They say give yourself a break  
They told me to medicate  
I don t wanna medicate

Oh, can you medicate a broken heart?  
Make your tragedies a work of art  
Medicate a broken heart  
Build your walls up just to rip them apart  
Is this the way to fix this or is this a quick fix?  
I really couldn t say  
Can you medicate, medicate, medicate it away?

Whoa, whoa  
Oh, medicate it away  
Whoa, whoa (Whoa)  
Oh, medicate it away

Oh, medicate it away  
Oh, medicate it away
