Monster by Gabe Bondoc

Standard Tuning

Key: **G**

Pretty easy song to play. The original recording has no guitar parts, only keyboard but could play it on the guitar with a basic slow 4 beat strum for each chord in the verses the interludes. The chord change becomes faster in the chorus with a 2 beat strum for chord (except in Bm-A-G, the G chord goes on for 4 beats, and in the last line, Em A, the chords goes on for 4 beats each). Listen to the song and play along, you will get rhythm in no time! Enjoy!
