EINSTEIN (Gabriella Cilmi)

Ich pers nlich kam als Mann besser damit klar, wenn der Capo im 2. Bund war.
Und dann ne
tiefer gesungen.

Weiblichen Gesang bitte in der Originaltonh he!

Ja, die 6-er Akkorde habe ich teils mit den einfacheren aber druckvolleren E-Dur
und
vertauscht.

Das ist im Orginal nicht so, hat aber Sinn bei einem Solo-Vortrag an der
Gitarre...

Me as a man managed better to do this song with capo on the 2. fret, singing one
octave deeper.

female voices please do the original!

Sometimes i changed the 6-chords with the more powerful E Major and F#9839;
Major.

That s not like the original but it makes sense on a solo-guitar-feature...
