[Chords stay the same till the end (i hope=)]

Cause You've Been Waiting Got Me Ready To Go
And I've Been Sraying Off The Way That I Know, Keep Me
Wise Enough, Nothing To Owe
Guess I Need Ya And I Want It To Show

Lying Here In My Sanctuary
Days Go Past Its Autumn Already
And I Wish It Would Thunder
Lying Here In My Sanctuary
Day's Go Past It's Autumn Already
And I Sit Here And Wonder

And I'll Kick Off My Shoes

Think About The Things Iâ€™d Like To Do
Everything Going Smooth
There Ainâ€™t Nothing Iâ€™d Rather Do

Cause Youâ€™ve Been Waiting Got Me Ready To Go
And Iâ€™ve Been Sraying Off The Way That I Know, Keep Me
Wise Enough, Nothing To Owe
Guess I Need Ya And I Want It To Show

Lying Here In My Sanctuary
Days Go Past Its Autumn Already
And I Wish It Would Thunder
Lying Here In My Sanctuary
Dayâ€™s Go Past Itâ€™s Autumn Already
And I Sit Here And Wonder

What I Say And What I Mean, Are Two Very Different Things
Canâ€™t Tell Life From Lies Got A Bad Sense Of Spins
What I Say And What I Mean Are Two Very Different Things,
Babe, Itâ€™s Time To Figure It Out

Holding Your Hand In My Hands And I Wont Let Go
Keeping Your Words And Your Face Is A Place Like Home
Iâ€™ve Been Blind Donâ€™t You Know

i hope that`s it!
enjoy and... rate it!
