

Downtown

Gabriella Cohen

G **D**
Well I ve had too much coffee
Em **D**
To think it s not helping
C **D** **G**
You re making me weak in the mind

G **D**
Well I can only forgive you
Em **D**
And tell you I need you
C **D** **G**
I m sorry for the weight on your mind

G **D**
Well I don t know quite what you were thinking
Em **D**
When you slipped into the stinking
Em **D** **G**
Hell that you brought down on me

G **D**
Oh well I could not resent you
Em **D**
I would not reject you
C **D** **G**
Well I ask you to treat me kindly

[Chorus]
Bm **C** **G**
Darling you re my summer love
Bm **C** **G**
I know that I am good enough
Bm **C** **G** **Cm**
Please don t ever let me down again
Bm
Cause I don t know what I d do

G **D**
Well downtown things are crazy
Em **D**
My mind is going hazy
C **D** **G**
And everyone is moving on

G **D**
The times are upon us

Em **D**
We go when they call us
C **D** **G**
I read somewhere a sweeping reform

G **D**
And now the question is looming
Em **D**
Could you please tell me soonish
C **D** **G**
If it means, uh, anything at all?

[Chorus x2]

Bm **C** **G**
Darling you re my summer love
Bm **C** **G**
I know that I am good enough
Bm **C** **G** **Cm**
Please don t ever let me down again
Bm
Cause I don t know what I d do
How you feeling? Hahaha
