Downtown

Gabriella Cohen Well I ve had too much coffee To think it s not helping D You re making me weak in the mind G Well I can only forgive you Em And tell you I need you I m sorry for the weight on your mind G Well I don t know quite what you were thinking When you slipped into the stinking Hell that you brought down on me Oh well I could not resent you I would not reject you C D Well I ask you to treat me kindly [Chorus] C Darling you re my summer love Bm C I know that I am good enough G Bm C Please don t ever let me down again Cause I don t know what I d do Well downtown things are crazy My mind is going hazy D G And everyone is moving on

The times are upon us

Em D We go when they call us I read somewhere a sweeping reform And now the question is looming Could you please tell me soonish C D G If it means, uh, anything at all? [Chorus x2] Bm C G Darling you re my summer love Bm C G I know that I am good enough Bm C G CmPlease don t ever let me down again Cause I don t know what I d do

How you feeling? Hahaha
