Gabrielle Aplin

[Verse]

F
I m a phoenix in the water
Am
a fish that s learnt to fly
F
and I ve always been a daughter
Am
but feathers are meant for the sky
F
so I m wishing wishing further
Am
for the excitement to arrive
F
it s just I d rather be causing the chaos
Am
than living at the sharp end of this knife

[Pre-Chorus]

F **C**
With every small disaster
G **Am**
I ll let the waters still
F **C** **G**
Take me away to some place real

[Chorus]

F
Cause they say home is where your heart is
G **Am** **C**
set in stone its where you go when you re alone
G
it s where you go to rest your bones
F **G**
it s not just where you lay your head
Am
it s not just where you make your bed
C **G**
As long as we re together does it matter
where we go
F

[Verse]

F
So when I m ready to be bolder
Am
and my cuts have healed with time
F
comfort will rest on my shoulder
Am
and I ll bury my future behind
F
I ll always keep you with me
Am
you ll be always on my mind
F
but there s a shining in the shadows
Am
I ll never know unless I try

[Pre-Chorus]

F **C**
With every small disaster
G **Am**
I ll let the waters still
F **C** **G**
Take me away to some place real

[Chorus]

F
Cause they say home is where your heart is
G **Am** **C**
set in stone its where you go when you re alone
G
it s where you go to rest your bones
F **G**
it s not just where you lay your head
Am
it s not just where you make your bed
C **G**
As long as we re together does it matter

where we go
