[Verse]

**E**

I m a phoenix in the water

**G#m**

a fish that s learnt to fly

**E**

and I ve always been a daughter

**G#m**

but feathers are meant for the sky

**E**

so I m wishing wishing further

**G#m**

for the excitement to arrive

**E**

it s just I d rather be causing the chaos

**G#m**

than living at the sharp end of this knife

[Pre-Chorus]

**E** **B**

With every small disaster

**F#** **G#m**

I ll let the waters still

**E** **B** **F#**

Take me away to some place real

[Chorus]

**E**

Cause they say home is where your heart is

**F#** **G#m** **B**

set in stone its where you go when you re alone

**F#**

it s where you go to rest your bones

**E**

**F#**

it s not just where you lay your head

**G#m**

it s not just where you make your bed

**B**

**F#**

As long as we re together does it matter

where we go

[Verse]

**E**  
So when I m ready to be bolder  
**G#m**  
and my cuts have healed with time  
**E**  
comfort will rest on my shoulder  
**G#m**  
and I ll bury my future behind  
**E**  
I ll always keep you with me  
**G#m**  
you ll be always on my mind  
**E**  
but there s a shining in the shadows  
**G#m**  
I ll never know unless I try

[Pre-Chorus]

**E** **B**  
With every small disaster  
**F#** **G#m**  
I ll let the waters still  
**E** **B** **F#**  
Take me away to some place real

[Chorus]

**E**  
Cause they say home is where your heart is  
**F#** **G#m** **B**  
set in stone its where you go when you re alone  
**F#**  
it s where you go to rest your bones  
**E** **F#**  
it s not just where you lay your head  
**G#m**  
it s not just where you make your bed  
**B** **F#**  
As long as we re together does it matter  
  
where we go
